## Where Art and Functionality Meet

At , every washbasin is more than just a fixture—it's a statement of design, detail, and distinction.

Inspired by nature's palette and shaped through skilled hands, our ceramic basins are created for those who value form as much as function. Each piece is crafted with meticulous care, offering a luxurious surface finish, refined textures, and timeless colour tones in both glossy and matt options.

Whether you're designing a serene retreat or a bold modern space, Luxecoat offers versatile styles, customizable options, and enduring quality to complement your vision.

### Maintenance :

While durable, our ceramic basins should be handled with care to avoid chipping or impact damage. Use a soft cloth or sponge with mild, non-abrasive soap. Avoid harsh chemicals or scouring pads that may damage the surface.

### Note :

Size/Shade variation is inherent in ceramic basin , in case of any complain it should be brought to our dealer's notice before installing the basin.

Color shown are indicative only. Check actual Basin for exact colour.

The information contained in this catalogue are accurate as possible , But can not be contained legally binding.

The company reserved the right to change the specification without prior notice.
